**Houston Hospice Wins Two Senior Resource Guide 2017 Readers' Choice Awards  
As Best Hospice in Houston, Best Social Worker Sue Steinbruecker**

The Senior Resource Guide's 2017 Readers' Choice Awards are in and Houston Hospice took two top honors as "Best Of" winners in the publication's annual awards. Houston Hospice received the award for Best Hospice (Houston area) in the Senior Resource Guide's Final Planning Category and Best Social Worker in the Texas Professionals Category.

Readers rated and picked a top winner in seven categories including leisure and lifestyle, health and beauty, housing and home care, food and drink, Texas professionals, medical centers in Texas and final planning.

Houston Hospice CEO, Jim Faucett said, "One of the reasons this award is special is it comes from the Senior Resource Guide's readers. The award is a strong testament of our mission of providing uncompromising, compassionate end-of-life care to patients and families in our community. The guide is such a trusted resource for the community. It is a tremendous honor to be named best hospice and we are proud to have Houston Hospice social worker Sue Steinbruecker recognized as the best in her field. Sue reflects the passion and expertise among our outstanding employee team."

The Readers' Choice Awards represent the second significant recognition received by Houston Hospice in three months. Last October, Houston Hospice was awarded a 2017 Top Workplaces honor by the Houston Chronicle.
